Post Home Sign Installation Thank You to all our Volunteers who helped and donated time, material & equipment!

Special Thanks to: Joey Zuccaro & Valek Boulderwall for excavating, Mark Morford & DR Frantz for the cement work and Jeff Jensen for the use of the WWII wrecker.

A message from the Commander...

Thank you members for all your support. I consider it a privilege to represent Post 259 and our Community and will do so to the best of my ability. I will be asking for your help along the way, but with your support and with the help of the Auxiliary and SAL we can have a Post Home that we can all be proud of. For all our members-Past-Present and Future! I hope to make some needed improvements to the Club and promise to do things that will be the most beneficial to all of us. I am open to any and all suggestions and comments and am available to chat about any of our members ideas. I also want to keep in close contact and involve our brothers and sisters of the Unit and Squadron of this Post. God Bless you all as we start to celebrate the Holiday Season that is soon upon us.

Thank You! – Sig Weissner
